VISION STATEMENT

Trinity Catholic School is a dynamic school embedded in Ignatian Spirituality, inclusive of cultural diversity. We embrace contemporary learning through innovation and excellence.

MISSION STATEMENT

Trinity Catholic School is driven by the values: Welcome, Discernment, Resilience, Excellence, Spirituality, Respect, Service, and Community. The five Spheres encompass these values.

EDUCATION IN FAITH

At Trinity Catholic School we provide an environment where faith is developed through the values found in the Gospels, by:

- Providing an environment that nurtures and deepens our relationship with God and each other.
- Acknowledging our multi-faith community.
- Developing a whole school Religious Education Curriculum, that explores knowledge, rituals, symbols, teachings and traditions of the Catholic faith.
- Building positive parish connections.
- Celebrating our faith through Liturgies and Sacraments.
- Developing the Ignatian Spirituality.

LEARNING AND TEACHING

At Trinity Catholic School we provide an inclusive curriculum that meets the immediate and future needs of each child by:

- Developing Contemporary Learning skills that will empower all students to be reflective and discerning people.
- Implementing current educational philosophies as part of our teaching methodology and classroom practice that will promote lifelong learning.
- Developing individuals who have the capacity to contribute positively to their local and global society.
- Encouraging students to strive for excellence.

SCHOOL COMMUNITY

At Trinity Catholic School we provide a community that is welcoming, inclusive and respectful by:

- Actively encouraging the meaningful engagement of our families.
- Providing positive communication within the school community.
- Building purposeful and strategic links with outside agencies and schools.

LEADERSHIP AND MANAGEMENT

At Trinity Catholic School we will provide a collaborative team approach by:

- Encouraging staff to empower families to be meaningfully connected to the school community.
- Promoting open communications.
- Recognising and promoting opportunities for parents, staff and students to develop leadership.
- Encouraging staff to accept responsibility towards the school community.
- Ensuring all decision making processes are transparent in an atmosphere of mutual respect.

STUDENT WELLBEING

At Trinity Catholic School we will provide students with a safe and secure environment which promotes a positive sense of self, optimism and confidence in their abilities by:

- Giving students meaningful opportunities to develop social and emotional learning skills.
- Provide learning opportunities to enhance student engagement, connectedness and belonging.
- Provide a supportive environment to cater to individual students learning and social needs.
